Loch Nyora and Drouin Pony Club Combined Showjumping Day to be held on Sunday 12th September

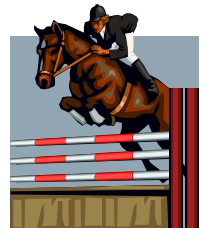

Exciting news that Drouin will be co-hosting a Showjumping Day with Loch Nyora in September. Whenever there is an event of this size we really do need all hands on deck – and this includes EVERYONE even if your rider is not competing! Please see the duty roster and make a note of your job – we are happy for one family representative to do the job provided that they are of an appropriate age. If there are unavoidable reasons why you cannot make it to the event to do your job, please arrange a swap with someone and notify Kim Eckard (email keckard@chairo.vic.edu.au).

On the roster, (located on Page 2) it does look like some people are working all day, but Loch Nyora will be providing volunteers as well so there will be relief for those who are marshalling, penciling and gear checking.

We do need one person to volunteer to run the canteen on the day – **this is an urgent matter and if you can help, please contact Kim.**

This should be a wonderful event especially if everyone pitches in.

Kim Eckard
Event Coordinator

Drouin Pony Club Working Bee

**Due to the Joint Showjumping Day
with Loch Nyora the Working Bee has been rescheduled to
When: Saturday September 4th 2010**

Working bee's keep our ground tidy and or equipment and jumping area's safe for our kids to use. It is important that all families are involved in sharing the tasks on the day as many hands make light work and maximise the efforts on the day.

Please bring suitable tools/machinery, painting, chainsaw etc..

Contact Nick Johnson.

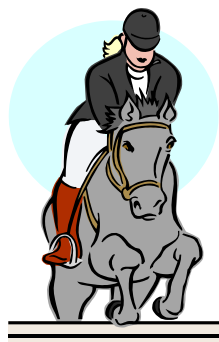

To Redeem your \$80.00 working bee levy, families need to attend and register at 2 working bees.

Drouin Pony Club

Thank You

The members who are undertaking their C test 2010 would like to extend a big thank you to Helen our wonderful DC for giving up her Friday nights to guide us through the preparation for undertaking our certificate. We have increased our horsemanship knowledge and have also learnt a lot more along the way.
